

**NOTIFICATION****INSTITUTE-INDUSTRY LINKAGE CELL**

Institute-Industry Linkage is very important for every University/Institute, especially for an institution like Jaypee Institute of Information Technology (JIIT), which is highly focussed in imparting education in the areas of Information Technology, Computer Science & Engineering, Electronics and Communication Engineering, Biotechnology, Management and others. This type of linkages are being pursued by an independent unit, named as Institute-Industry Linkage Cell. JIIT is having strong linkages with industries and carries out a number of activities in association with industry. Head of T&P Deptt. along with his officers of T&P and with the help and support of Heads of various academic Departments and their faculty members carry out various activities of the linkages effectively.

The Competent Authority has re-constituted the Institute-Industry Linkage Cell at JIIT. The composition of the Cell is as follows: -
